Three tales of supernatural love, each pivoting on a kiss that is no mere kiss, but an action with profound consequences for the kissers' souls:

Goblin Fruit

In Victorian times, goblin men had only to offer young girls sumptuous fruits to tempt them to sell their souls. But what does it take to tempt today's savvy girls?

Spicy Little Curses

A demon and the ambassador to Hell tussle over the soul of a beautiful English girl in India. Matters become complicated when she falls in love and decides to test her curse.

Hatchling

Six days before Esme's fourteenth birthday, her left eye turns from brown to blue. She little suspects what the change heralds, but her small safe life begins to unravel at once. What does the beautiful, fanged man want with her, and how is her fate connected to a mysterious race of demons?

Lips Touch: Three Times by Laini Taylor Lips Touch is a series of three short stories that centre around goblins, fairies and romance. My favourite of the three was the third tale, which is slightly longer than the rest. It follows Mab and daughter Esme, who are fleeing the pursuit of demons. Lips Touch Three Times Book Review - Common Sense Media Parents need to know that, like all fairy tales, these three tales have a dark side. The third and longest story is the darkest and most adult, with a land of demons who can take over human bodies and make them have (barley described) sex. The first two stories involve older teens coming of age and having first romances.
